VOLUNTARY ANNOUNCEMENT

DEVELOPED DISINFECTION CONSUMABLE PRODUCTS SUPPORTING THE COMBAT OF THE CORONAVIRUS OUTBREAK

The board (the “**Board**”) of directors (the “**Directors**”) of Yestar Healthcare Holdings Company Limited (the “**Company**”) hereby announces that its house brand product “**84 Disinfectant**” has officially started production after approved by the People’s Government of Guangxi Zhuang Autonomous Region. The first batch of approximately 5 tonnes (1:150 dilution) will be starting to deliver to hospitals on 11 February 2020.

“84 Disinfectant” is developed by the Company for general cleaning and disinfecting of the surface and the environment. It is applicable for cleaning areas such as hospitals, shopping malls, schools, gardens, communities, household and etc. This product will be distributed to hospitals, supermarkets, online and offline platforms via the Group’s direct and indirect distribution network.

The in vitro diagnostic products and medical film products of our Group have played a key role in the diagnostic stage and the Company plan to develop various disinfectant products to serve the diagnostics department of medical-related institution as well as the general public.

By Order of the Board
Yestar Healthcare Holdings Company Limited
